

Enviromental Instrument Rental

HASSLE-FREE RENTAL

Advantages to renting from MSR:

1. NO minimum rental charges for most instruments.
2. NO calibration or set-up fee for most instruments.
3. NO rental fees for shipping day or return day if instrument is returned before noon.
4. *Daily, Weekly* and *Monthly* rental rates applied to your best advantage.
5. Instruments calibrated on the day to be shipped or delivered.
6. Calibration certificate provided for each calibrated instrument.
7. Late orders can be processed and shipped that day.
8. Instruments sent with fully charged batteries.
9. Shipping Considerations: MSR Inc. will ship 2nd day wherever possible to reduce customer shipping costs.
10. Rental “start” dates are negotiable.

To place an order CALL: 800-775-1738, or email it by submitting your request online at <http://www.milcosafetyrental.com/contact/index.asp>

1. Request instrument needed.
2. Inform us of your Billing and Shipping addresses, Fax and Phone numbers, and FedEx shipping number.
3. Your instrument will be processed or shipped as you request.

RENTAL RESPONSIBILITIES

1. Customer will be faxed a rental agreement to sign and return via fax.
2. The rental begins at the customer agreed-to-date and terminates on the day the instrument returns to MSR, Inc. if it arrives after noon.
3. The rental period includes the number of days from the rental start date through consecutive calendar days to the termination date.
4. The customer is responsible for shipping fees in both directions.
5. The customer is responsible for the repair/recovery cost of any instrument abuse, damage, loss and theft, etc. as described in the rental agreement.

6. The rental agreement contains all the comprehensive obligations for renting from MSR, Inc. The above listed conditions are intended to highlight the more obvious customer concerns.
